

National Emergency Management Association Annual Meeting

State and Local Intelligence Council (SLIC)

- Practitioner-level centralized forum to facilitate and enhance the operational sharing of information between the DHS Office of Intelligence and Analysis (I&A) and State, local, tribal, and territorial (SLTT) partners.
- Composed of state and local professionals from the homeland security, intelligence, law enforcement, and emergency responder communities.
- Reviews and provides feedback on I&A organizational alignment and mission focus priorities.
- Represent perspectives of the respective organization, association, and/or stakeholder group.
- NEMA reps are:
 - Michael Dossett
 - Caleb Cage
- SLIC meets two times per year and last met in Tucson, AZ on 17-19 September 2018.

Recap/Feedback

- Meeting was focused on roundtable discussions with each Mission Center managers to discuss progress, provide feedback/guidance on priorities, and identify opportunities for collaboration.
- Supportive of Mission center approaches, growth, and execution to date; encouraged by integration of DHS Component intelligence equities.
 - Encourage focus on ensuring mission centers develop standard procedures to ensure a common and consistent execution.
- Priority Focus Areas:
 - Enable collection opportunities by encouraging Mission Centers to identify, document, and share collection priorities.
 - Ensure development of common processes for sharing planned production topics/schedules, as well as finished products.
 - Increased role of deployed field personnel as the primary touchpoint for engagement and collaboration with mission centers;
 - I&A continue to increase its field presence to cover all fusion centers.
