**Membership Report Fiscal Year 2020-2021**

NEMA is proud to offer membership to all areas of the emergency management and public safety professions. Associate membership is open to any company, organization, non-profit, educational institution, government agency, student or any individual with responsibilities in the emergency management, public health or public safety fields. It is our broad and diverse membership which helps inform the wide spectrum of issues and challenges in the EM community and NEMA is very proud of that diversity of discipline. Through the turmoil of 2020, NEMA was gratified to have the support of the associate members. The impact of their contributions, both substantively and financially, kept the association moving forward and we are grateful for their participation.

NEMA is honored to have members from all areas of the emergency management and public safety professions. Associate membership is open to any company, organization, non-profit, educational institution, government agency, student or any individual with responsibilities in the emergency management, public health or public safety fields. It is our broad and diverse membership which helps inform the wide spectrum of issues and challenges in the EM community and NEMA is very proud of that diversity of discipline. Through the turmoil of 2020, NEMA was gratified to have the support of the associate members.

The impact of their contributions, both substantively and financially, cannot be overstated. They helped keep the association moving forward during these difficult times and we are grateful for their participation.

To showcase the importance of these member partners, NEMA has published the [Associate Members Report - Fiscal Years 2020-2021](#).

Please take a few minutes to read about the vital and impactful contributions of our **Associate Members**. We couldn't do it without them!

**If you know of a company, organization, agency or individual who would benefit from NEMA membership please refer them to the [NEMA website](#) for more information or they can email us [nemaadmin@csg.org](mailto:nemaadmin@csg.org).**
