0822

▶ The deceased perpetrator is not the registered owner of the vehicle. Currently, law-enforcement is looking for 4 additional suspects believed to be involved with this incident.

0838

▶ The State of Louisiana mobilized an MP company (100 PAX) to conduct Traffic Control Point cameras (TCPs) on Bourbon St. They will mobilize within 6 hours.

0842

▶ The Civil Support Team (CST) currently has 4 PAX in NOLA supporting for the Sugar Bowl. That will increase to 11 by this evening. The remaining 11 are on stand by to deploy as necessary based on the situation.

0903

▶ Sheriff of Jefferson Parish called and offered assistance to help with security outside the Superdome for the Sugar Bowl from the Logistics Staging Area (LSA) task force. (later to be postponed until 1/2/2025)

0928

▶ GOHSEP moved to 24 hour operations and notified select ESFs

0933

▶ NOPD officers are stable with minor injuries. All indications are the game is going on as planned for 1/1/2025. NOPD is putting together a traffic plan to close Poydras St. from Claiborne St. to the river.

1000

▶ LDH/ESF-8 Coordination call is conducted with multiple agencies to provide situational awareness of early morning activities, current status of response efforts, and to discuss operational tempo and situational reports going forward. At-Risk Registry is used to capture patient information from hospitals to collate information for efficiency of reunification efforts and investigatory efforts. Office of Public Health (OPH) was asked to accelerate 211/Vialink contract to be in readiness for surge in calls for reunification.
