# Annunciation School Shooting - Overview

---

- Initial reports received: ~08:39
- Casualties: 2 juveniles deceased, ~20 injured
- Minneapolis EOC activated; SEOC monitoring and support
- Emphasis on the Joint Information System (JIS) for coordinated communication

# Annunciation School Shooting – Post Incident

---

- Victim Assistance and Support – Key Actions
  - Office of Justice Programs (OJP)
  - Presence at the Family Assistance Center and Neighborhood Assistance Center
- Local EOC Coordination with School Safety Center
  - Supported hotline
  - Provided guidance to schools across the state post incident
- Concerns/Challenges/Opportunities
  - Large portion of public schools starting following week
  - Resource needs for DPS/HSEM staff – including the wellbeing of local EOC personnel
  - Anticipated increase in School Safety Center requests
  - Identified the need to remind all local Emergency Managers about victim services and mass violence resources
